Ultimate Canadian Cheer Sponsor Advertisements

Dear Sponsor;

Thank you for sponsoring the UCC competitive cheerleading and dance program. This year, our teams will travel to the US to compete against some of the best cheerleading and dance gyms in the world. These trips can be very expensive for our athletes and their families. Therefore, the generosity of sponsors will help alleviate some of the financial burdens our families face.

Your purchase of a sponsor ad in our gym will greatly reduce our member's fees. Your ad will be seen by our 300+ members and their families on a daily basis. Our customers are from all across the GTA, providing you with a diverse audience of young athletic individuals and their families.

Your sponsorship = \$200 for three months of advertising, and you will receive a 13" by 44" full color ad in our gym. Your ad date starts on _____ and ends on _____.

Please complete this portion of the form by printing legibly. Please return with payment and artwork (logos, business cards, etc.). We will complete all final artwork to fit the ad dimensions.

Artwork should be at least 300dpi in JPEG format.
